GYANTEERTH symbolizes the epitome of a desire to excel and systematize operations in an industry characterized by serious lack of structure and systems. GYANTEERTH current area of operations encompasses training students for Campus Placement Training (Aptitude, Technical Skills and Soft skills) according to various corporates. Other than this, we also provide Corporate Training in various companies. After brainstorming with individuals from the leading corporates & faculty, we realized the present loopholes in this unstructured segment of training and then with our rich experience and rigorous research work, we have designed a training module to enable the students to crack aptitude and interaction round (GD/PI) with ease & can finally realize their and our dream of getting the right job. Hence, GYANTEERTH was established on the 28<sup>th</sup> of May 2010 in Pune. We have trained more than 40,000 students so far with excellent placement results.
