## Certificate for Green campus

This certificate acknowledges that **Arya Institute of Engineering & Technology**, SP- 40 RIICO Industrial Area, Kukas, Jaipur has been recognised for the award of Green Campus in Jaipur.

The Campus is encouraging environmental friendly practices and promoting sustainable and eco-friendly practices in the campus. The Arya College has an opportunity to take a lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the inhabitants.

The campus has cleanliness in and around the campus and waste minimization. The campus has Water conservation and management including waste water management technique. Surrounding of the campus is very Environment-friendly. Many activities are adopted and practiced by the campus to reduce consumption of natural resources - paper, gas, water, energy etc.

Thank You
