**MASSIVELY EMPOWERED CLASSROOM LETTER OF APPRECIATION**

Dear Prof. Piyush Sharma,

Greetings from Microsoft Research, Bangalore!

We appreciate and thank you for your support in driving Massively Empowered Classroom, a community initiative from Microsoft Research India at your campus.

We'd like to recognize the following students as "MEC Champions" for their help and assistance in spreading awareness regarding MEC and its platform adoption in India through their active participation in "MEC Referral Challenge Fall 2015"

Vikas Kumawat

Manan Khanna

Kuldeep Jeengar

Hany Narayan

As a small token of appreciation, please find a customized plaque for your institute. Also, we are happy to recognize Arya Institute of Engineering and Technology, Jaipur as a "MEC Community Partner".

This Referral Challenge Series was administered by Microsoft Research Bangalore to many students all over India during October 2015 – February 2016, and your valuable contribution enabled us to reach out to many students all over India.

Eligible students will receive their rewards in the post in a few weeks. Stay tuned for more updates from us. Thank you once again and we hope to continue to see active participation!

Please feel free to connect with the undersigned for any further details or questions.

Best Regards,

Siddharth Prakash  
Senior Research Program Manager,
