- **Title of Activity: Celebration of International Yoga Day**
- **Date: 21/06/2021**
- **Organizing Unit/ Agency/ Collaborating Agency : AIET-NSS**
- **Number of Student Participated: 150**
- **Outcome of Activity:** The idea of an International Day of Yoga was first proposed by the current Prime Minister of India, Narendra Modi, during his speech at the United Nations General Assembly (UNGA), on 27 September 2014. He stated Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and the nature. By changing our lifestyle and creating consciousness, it can help in wellbeing. Let us work towards adopting an International YogaDay.

Dear Sir/Madam,

Congratulations to all the Participating Institutions (PIs) selected under Unnat Bharat Abhiyan, a flagship program of Ministry of Human Resource Development (MHRD) Government of India through a challenge mode application. The Mission of Unnat Bharat Abhiyan is to enable participating higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. It also aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India.

As per the programme, educational institutions is primarily to develop linkage with selective rural clusters (preferably of five villages), to get involved in the planning process and to promote the requisite S&T interventions to improvise and expedite the developmental efforts in those clusters. The approach is a departure from the grant oriented method and would see the participation and commitment of faculty and students in this endeavour.

We shall be processing release of Rs. 10000/- per village under the UBA program. The funds are mainly meant for assistance for awareness, Gram Panchayat Development Plan (GPDP) study, need assessment, and contingency expenditure. There are provision of Rs 1.0 lakh for technological intervention/ solution and Rs 0.50/- lakh for customization of a technological solution under the program. Which you can avail of afterwards by submitting proposals with ratification of the Gramsabha. A two-way channel between PIs and National Coordinating Institute (NCI) as well as Subject Expert Groups (SEGs) for project proposal submission and evaluation has been developed and functional on UBA portal. You can use your login credential for uploading proposals on UBA website '**FINANCIAL AIDS**'. The login credentials are same as your registration login credentials.

You are also requested to keep IIT Delhi, the National Coordinating Institute updated about your activities so that the same can be uploaded on the website of UBA.

Regards and best wishes for your institution for contributing to India's development.

With regards

Your Sincerely, 
Prof. Virendra K Vijay

Dear Sir/Madam,

Your kind support for school meals of children can significantly transform their lives. The freshly cooked, hot, healthy, and locally palatable school meals provided by Akshaya Patra is a potential intervention in ensuring health and education of children. These meals are crucial for children belonging to challenging socioeconomic backgrounds.

Your Kind Support for Mid-Day Meal have

- Open the gates of school for children
- Boost their health with adequate nutrition
- Support regular schooling & ensure completion of education
- Prepare children to be assets of India

We therefore appreciate and recognize your contribution from your college and look forward you to keep serving for humanity and spirituality in coming years ahead.

Thanking you,

Yours in the service of underprivileged children
