Workshop

Department of Electrical Engineering of AIET conducted **05 Days Workshop** on “**ARDUINO & Its Applications**” from **15th to 19th November, 2022** at Arya Main Campus.

The aim of the event was to provide students with practical knowledge and skills that align with industry requirements.

The workshop centered on Arduino and its diverse applications, offering participants the opportunity to explore and expand their knowledge in this field.

Participants engaged in hands-on experiences related to Arduino, which is highly relevant in the field of Electrical Engineering. 54 students from the departments attended this insightful workshop.
