Workshop

AIET organized **05 Days Hands-on Workshop** on **"Internet of Things (IOT)"** from **15th to 19th November, 2022**. The aim of the Workshop was to impart real-world hands-on experience and practical training of IoT.

The workshop covered a range of topics, including sensor technologies, data acquisition, and application development. The event concluded with certificate distribution ceremony, e-Certificates were awarded to all registered participants who maintained 80% attendance. 73 students from various departments attended this insightful workshop.
